Water/Sewer Update

Phase II projected timeline

Utility locates were ordered by Surveyor Eli & Associates. Locators are marking gas, telephone, fiber, power, etc. throughout Town

Eli & Associates will be conducting their surveys from the tank all the way through Town and mapping all the hydrants, valves, streets, surface features, buildings, etc.

The geotechnical subconsultant, Pioneer Technical, will be punching six boreholes throughout Town in order to get a picture of subsurface conditions. This occurs after the locators and surveyors complete their work.
