

Council Meeting
January 2, 2018
7:00 P.M.

Council Present: Mayor John Bigart III, Jaime Odell, Josh Acker, Marvin Garding, and Salinas Bartel.

A motion was made by Josh seconded by Salinas to approve the December 5, 2017 minutes as read. All were in favor.

A motion was made by Salinas seconded by Josh to approve the claims from check number 15223 through 15245 totaling \$19,898.35. All were in favor.

Water Sewer: James Claxton was at the meeting. There had been a DEQ inspection done. There needs to be a backflow preventer in the sprinklers. Pond 3 is having some issues that won't be able to be fixed until spring. Doug Lausch stated that DEQ is very happy with how James and he are handling the department.

Salinas wanted to know what the sanding/snowplowing policy is. Sanding is done after a snowfall. Snowplowing is done when there is at least 2 inches of snow. We will look at putting something on the website.

Fire Department: Chief Joe Calnan was not at the meeting.

Sheriff Department: No one was at the meeting.

County Planner: Tim Read was at the meeting. They had the first wild fire protection meeting. Hopefully there will be a draft ready in the next couple of months. He stated that the council should not discuss any pending subdivisions until they have been officially discussed. He stated that a letter needs to be sent that states if they can hook into the sewer system or not.

Old Business:

Library Grant Project: Salinas had an email from Judy Bungarz. They had received a \$1,000.00 pledge from the seniors and some others that will go toward the grant matching. We could use in-kind hours to help cover the cost of removing the windows and replacing the molding.

Public Comment:

Loreen Green stated that the training is scheduled for February 10th. The cost is \$20.00 before the end of January and \$25.00 after that.

The Clerk stated that she would be taking vacation in February.

A motion was made by Josh seconded by Jaime to adjourn.

Being no further business this meeting was adjourned.
