Alberton Montana
Railroad Day
THIRD SATURDAY in JULY

Alberton's Railroad Day began as a street festival in 1985. Town folks wanted young people and newcomers to know that an innovative railroad once ran through this town. You can still see the concrete tower that once helped to maintain the railcars. Our Community Center is the former Milwaukee Railroad Station. Our Railroad Museum is housed in a Milwaukee box car complete with caboose.

ALBERTON Community Foundation

LEARN ABOUT US

Our non-profit educational mission is to improve the quality of life and opportunities for Alberton area residents & reduce the poverty of rural isolation.

The Alberton Community Foundation was formed as a 501(c)(3) in 2009. We serve as a Public Benefit Foundation organized exclusively for Charitable, Educational, and Scientific purposes, per the United States Internal Revenue Code.

ACF supports a variety of projects, including family-friendly activities for our annual ALBERTON RAILROAD DAY Montana, which celebrates our community's history as a CAN DO "Railroad Town."

We invite you to **LIVE THE HISTORY** on the **THIRD SATURDAY** in July.
