

Resolution No. 351

A RESOLUTION APPROVING A MORATORIUM ON NEW WILL SERVE  
WATER/SEWER CONNECTIONS

**WHEREAS**, the Town of Alberton has reached capacity with our current wastewater lagoons.

**WHEREAS**, the capacity of the Town's wastewater lagoons has been defined and forecasted by the Preliminary Engineering Report by Morrison and Maierle, Inc in April 2012.

**WHEREAS**, due to recent testing and calculations, the wastewater lagoon capacity is at or exceeding sewer flows and loads with the current population levels using the Alberton Sewer system.

**WHEREAS**, potential results for exceeding effluent limits could result in a revocation of the Town's wastewater permit and/or fines of up to \$10,000 per day that the wastewater system is not compliant.

**NOW THEREFORE BE IT RESOLVED THAT**, the Town of Alberton will not approve new Will Serve applications for water and sewer until further notice. This moratorium will not apply to accounts already established with the Town of Alberton.

PASSED AND APPROVED by the Alberton Town Council this 6<sup>th</sup> day of January, 2026.  
For the Town of Alberton, Montana
