RESOLUTION # 116

WHEREAS, the Town of Alberton has denied further hook-ups to the Alberton Sewer System for the area lying south of Railroad Avenue, by Resolution #115, May 6, 1985, and

WHEREAS, the Town of Alberton has the authority to pass ordinances to protect the health and welfare of its constituents (7-1-4123, MCA), and

WHEREAS, it is the intent of the Town of Alberton to provide the best alternative by establishing a minimum requirement for on site sewage treatment and disposal for all new construction in the area south of Railroad Avenue, now

THEREFORE BE IT RESOLVED:

THAT the Town of Alberton, commensurate with the date of the resolution, requires any new on site sewage treatment and disposal system constructed south of Railroad Avenue shall consist of a septic tank and drainfield and shall be built in accordance with the specifications of Bulletin 332 issued by the State Department of Health and Environmental Sciences, and

THAT prior to construction, a permit application be filed and a permit fee of $25.00 paid to the Town Clerk, and

THAT the Mineral County Sanitarian approve the permit and, as a condition of that permit, conduct a final on site inspection prior to covering the installed system, and

THAT any person who violates any requirement of this resolution shall, upon conviction, be punished by a fine of not more than $200.00 for each offense. Each day of violation constitutes a separate offense, with the first day of violation commensurating with the date of the Notice of Violation (50-2 124, MCA).

RESOLVED THIS 5TH DAY OF Aug, 1985.
